The Acting Rector's Message for the Academic Year 2019 – 2020

For the academic year 2019 – 2020, all Dong Thap university, staff and students are called to be united and determined to teach, study and research under the theme **"Attaching great importance to quality, promoting cooperation,"** focusing on the following 06 main tasks:

1

Maintain position and continue to improve the capacity of the University in all fields; especially promote international cooperation activities.

2

Continue to develop training programs; carry out training program self-assessment and prepare necessary conditions to participate in evaluating a number of training programs according to regional / international standards.

3

Continue to consolidate, build and develop a quality culture, create a modern university governance ecosystem in the context of university autonomy.

4

Continue to promote community service and communication activities associated with promoting the University's brand, in parallel with promoting enrollment counseling.

5

Continue to build and develop a reading culture within the university; create and connect resources to support the student start-up movement.

6

Continue to prioritize connecting with employers, businesses and experts in human resource training.

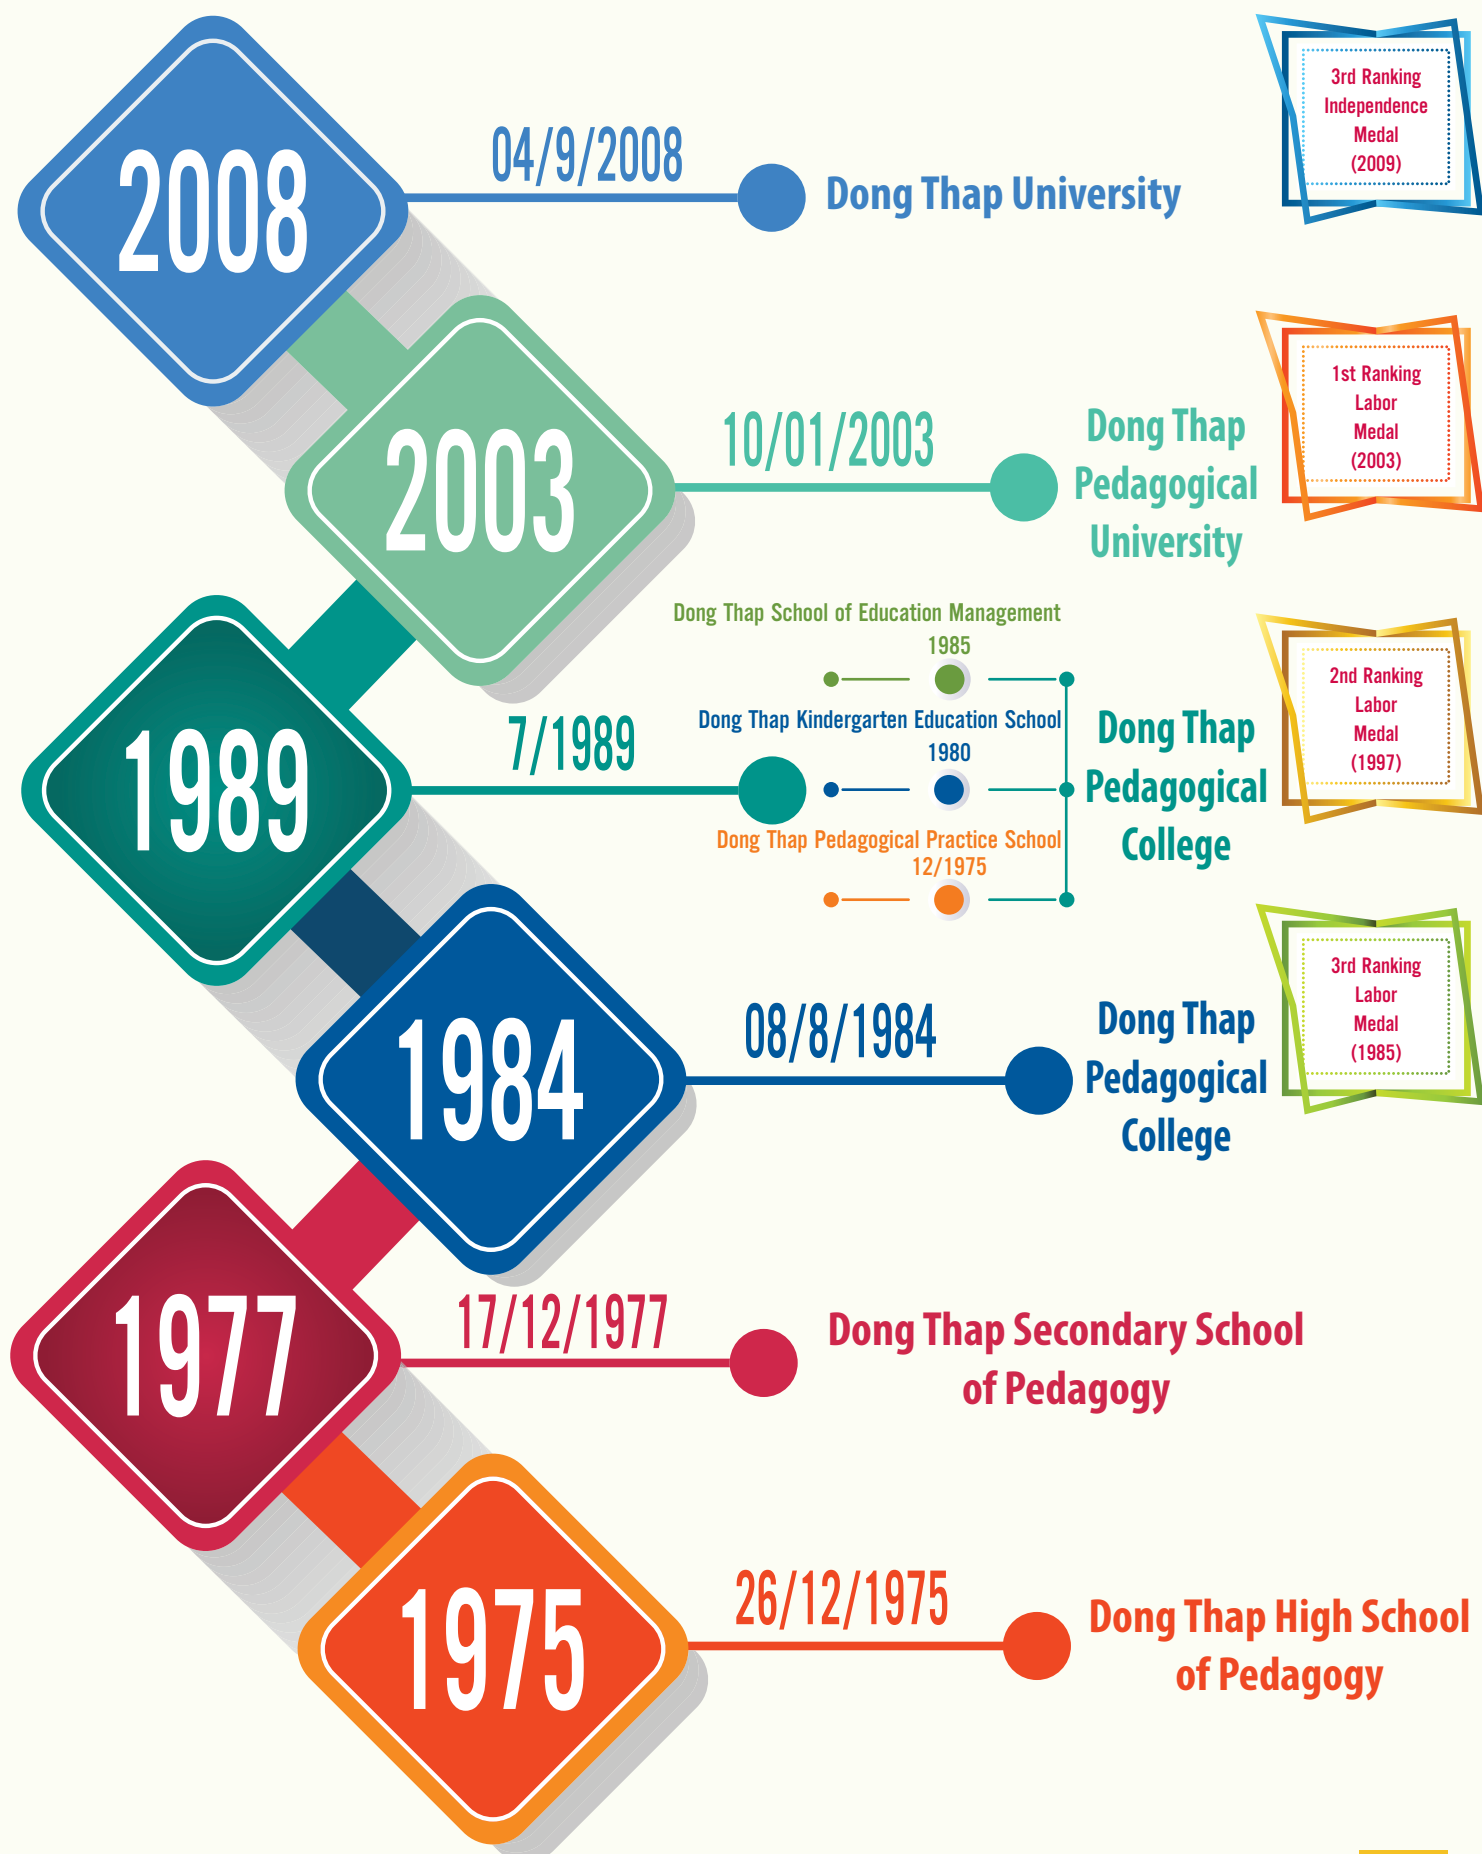

**Acting Rector
Dr. Luong Thanh Tan**

THE TRAINING PROCESS OF DONG THAP UNIVERSITY

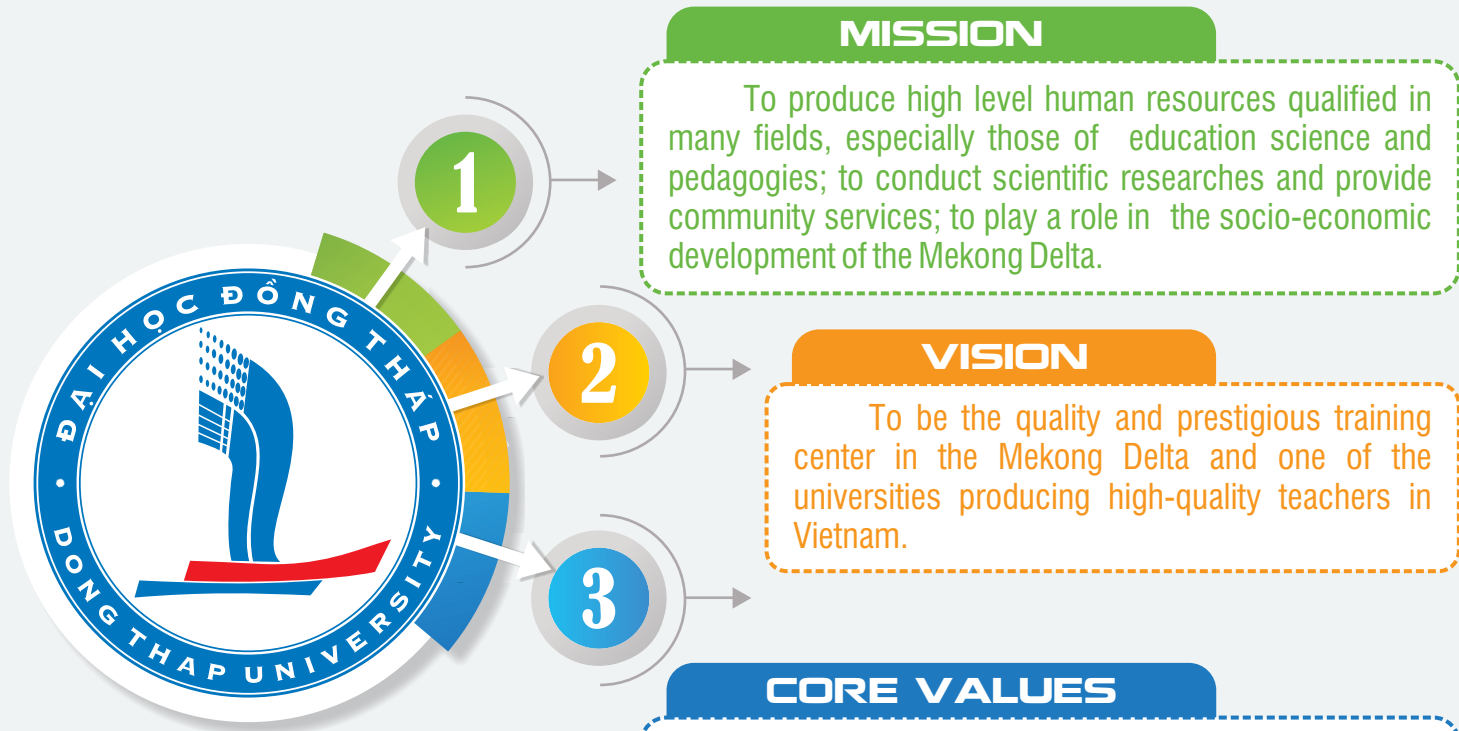

Development milestones

Mission – Vision – Core Values

Valuing quality: Quality is always of paramount importance to the survival of Dong Thap University. The culture of Dong Thap University is one that values quality and motivates work for quality. The university, its departments, and each individual must strive to improve the quality of training, of research, and of community services.

Encouraging creativity: Creativity is both the nature and the goal of the university. Creativity is to develop. Dong Thap University must build a culture of creativity in all its activities. Innovation is always encouraged, nurtured and promoted.

Promoting cooperation: Collaboration is to think and act together and be accountable to one another. Cooperation creates strength and leads to success. It is the mutual benefits that form an important basis for consensus and cooperation. Dong Thap University always promotes cooperation and considers cooperation a basic value.

Advocating honesty: Honesty is a must-have virtue that is vital to everyone. In university environment, it is an all the more important virtue and must be placed as the highest priority. Dong Thap University advocates a culture of honesty, especially in teaching, research, study, and examination.

Upholding responsibility: The culture of Dong Thap University is responsibility. Greater right to personal autonomy demands greater sense of responsibility. The university, all of its departments and individuals must have a strong sense of responsibility in their activities and tasks.

The Logo of Dong Thap University

Logo meaning:

Dong Thap University has been developing firmly and sustainably in all areas, to carry out the basic strategic tasks: of training and doing scientific research given the staff, lecturers, and highly qualified employees, and using standardized and modernized facilities and equipment, and move firmly on the path toward integration - developing and reaching new heights.

The Dong Thap University logo has 02 parts:

The blue outer ring: white letters on a blue background, inscribed above with the Vietnamese words in HP-copper 18-point font: Đại học Đồng Tháp, and below with the English equivalent words in HP-copper 16 point font: Dong Thap University.

The design inside the ring is extensively encompassing, it can be interpreted in many different ways. Here are some common ones:

It depicts the image of a jet airplane flying high in the sky, symbolizing a university taking off and on its way to a sustainable and stable trajectory in all its aspects.

It depicts the image of a red-crowned crane spreading its wings soaring high in the sky, symbolizing a university ascending the expanse of human knowledge, firmly advancing on the path toward integration and development.

It depicts the image of a boat sailing forward in full sail, symbolizing a university on the banks of the peaceful and poetic Tien Giang River, steadily marching toward the horizon of knowledge.

It depicts the image of a blue flame, a harmonious fusion of traditions and modernity, symbolizing university inheriting and promoting the heroic traditions of the Vietnamese people in general and the Mekong River Delta region in particular in the struggle for national liberation and national defense, as well as acquiring the best that mankind has to offer to produce both "moral" and "professional" graduates to meet the increasing demands for the development of the nation in its renewal work of industrialization and modernization.

It depicts the Mekong Delta region four seasons of green trees, fragrant flowers, and sweet fruit growing on fertile alluvial soil, symbolizing the youthfulness of a university receiving the attention and leadership of the Ministry of Education and Training, the Provincial Party Committee, People's Committees, departments and mass organizations, and the people who are cultivating their talents for the country and making an important contribution to the socio-economic development and prosperity of the country and the region.

Dong Thap University's song

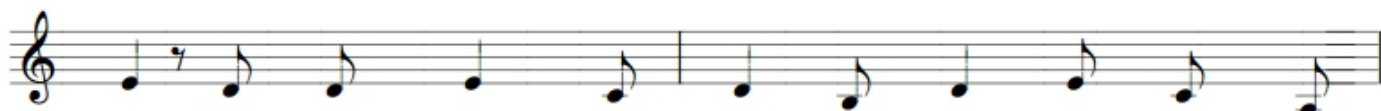

Dong Thap University

my beloved university

Music & lyrics: Vo Xuan Hung

Bên dòng sông Tiền hiền hoà là mái trường chúng
Bên dòng sông Tiền hiền hoà là mái trường tôi

tôi. Bao năm tháng dựng xây giờ đang đổi thay từng
yêu. Yêu tiếng nói thầy cô cùng tôi sớm khuya miệt

ngày. Bạn ơi chung tay ta vun xới, cho những mầm
mãi. Đường tương lai bao nhiêu ghènh thác, tiếp nối cha

xanh mầm xanh này lộc. Vươn tới tầm cao chân trời trí thức...
anh viết tiếp trang sử...

...vàng. Rạng danh trí tuệ Việt Nam, rạng danh đất mẹ Cửu Long, sen hồng toả

ngát sáng ngời đường tương lai. Đại học Đồng Tháp

vươn cánh bay xa đến những chân trời khoa học. Vì một ngày mai,

mình cùng kề vai thấp sáng niềm ước mơ. Đại học Đồng Tháp

nâng bước ta đi với niềm tin yêu cuộc đời. Đi xây quê hương rạng

ngời, đẹp lắm trường tôi, Đại học Đồng Tháp thân yêu.

Hát lên nào bạn ơi cho tình yêu xanh mãi trang sách cuộc đời

đang rộng mở mình cùng viết lên bao niềm tin yêu.

Quality control strategy

Quality – The number one priority

The Rector together with all the staff and students has made a commitment to carry out the following principles:

1

To never stop pursuing quality in teaching and learning.

2

The leaders as well as department heads and vice heads will never stop raising the bar in their leadership and management abilities.

3

To give priority to fostering faculty members' pedagogic competence.

4

To take actions in reforming general administration.

5

Each staff to fulfill all of his or her assigned duties and responsibilities.

6

To manage closely and effectively the university's finances and properties.

7

To continue developing the quality management system per ISO 9001:2008.

Community Service

The charitable house

The concept model of a charitable house helped the members of the youth union, who are in difficult circumstances and unable to renovate, repair or build their own houses themselves. The model has brought many practical and humane meanings, which was acknowledged as one of the typical models for community service. This program solicits the contribution of 5,000VND per member per month. In 2019, the Youth Union - Student Association supported the construction of 5 houses, totaling **200** million VND (to the present time, the program has awarded 50 charitable houses).

Give "Spring Bus tickets, 2019"

The purpose was to help the members of the youth union at Dong Thap University, whose hometown is far from Dong Thap Province, to be able to go home and be with their families for holy Tet. As part of the consideration for the members, The Youth Union and the DThU Student Association gave **37** Spring Bus tickets, totaling **15** million VND, for **37** students with difficult family circumstances in Ninh Thuan, Binh Thuan, and Ca Mau provinces to go back to their homes and enjoy Tet holidays with their families.

Voluntary Spring Activities

The university has been fostering the eager spirit of the members of the youth union in helping destitute families, enabling many of these families to enjoy a warm and gladsome spring. The Youth Union - Student

Association held practical activities like: The fifth "**warm-hearted spring**" program, the third "**A patch of love**" activity of "Work together" club, the second "**A grain of love**" program of the Education Department's Youth Union. The voluntary students visited, gave Tet gifts, cleaned houses for 14 households of lonely and elderly people living in Cao Lanh city, Tan Hong district, Hong Ngu district. The total cost of these activities was over **20** million VND

Voluntary blood donation 2019

In order to propagate and raise awareness and responsibility and to gradually train to form a healthy lifestyle, the spirit of mutual affection between students for the volunteer movement for social community the Student Association of the university organized and launched 5 voluntary blood donation campaigns and collected **383** blood units.

The campaign created over **270** million VND and more than **2500** working days for the youth union members. The activities have brought practical results and received much love from the local people.

Dong Thap University volunteers shared their worries, encouraged them, and helped them find accommodations for new students and their parents during their enrollment and other procedures at Dong Thap University. The voluntary team advised, instructed on the procedures, recommended boarding houses, dormitories, ... for more than **3000** candidates and parents who contacted for assistance.

National University Entrance Exam Support Campaign 2019

Effective implementation of activities of gratitude, traditionally "When drinking water, think of its source", activities of gratitude for heroic martyrs on the occasion of the 72 years of War Invalids and Martyrs' War Day: setting up 2 delegations to visit and give gifts and money to **2** Vietnamese Heroic Mothers, **6** delegations to visit and give gifts to **31** households under the preferential treatment policy, lonely elderly people and families with difficult circumstances in Tam Nong district, Thap Muoi district and Lap Vo district. The total cost was **16** million VND.

Community Service

The model of “0 VND store”

The Youth Union and the DThU Student Association launched this new model of “Friendship Gifts” for the first time in May 2018 (previous name: Friendship Gift) by raising support and accepting donations from organizations and individuals inside and outside the university. These gifts were collected and categorized and then offered to students in need at various community activities organized by the Unions. In 2019, the program has received from The Youth Union members, DThU's staff members and sponsors over **3,800** products like books, textbooks, learning tools and articles of daily necessity ... The activity was highly appreciated by the community and enthusiastically responded by the students. The total value was more than **100** million. With the slogan **“a gift of friendship offered is a thousand seeds of hope planted”**, the Youth Union and the Student Association desired to share their hearts of compassion to help one another grow.

The program created a comfortable, joyful English learning environment, helping students acquire language proficiency more effectively. The model has been implemented effectively, creating a good impression through more than 9 meetings at **7** high schools in Dong Thap province. The activity attracted 1400 students and 30 volunteers who actively participated.

Reading Club and Book Space of Dong Thap University

The Dong Thap University Reading Club was established on December 30th, 2016, officially launched with the opening of the Book Space on May 17th, 2017 with the slogan: "Connecting and Sharing reading pleasure". Club president: Mr. Nguyen Van Nghiem, M.A.

Summary of effective performance

With the desire to create a "playground" for reading, the Reading Club and Book Space at DThU receive the companionship of many individuals and units. The reading club has received the enthusiastic sharing and donations of honorable hearts, with 5000 books given by individuals and units to serve readers. DThU Book Space opens from 6A.M. to 21:30 P.M. all days of the week. In addition to exchanging and introducing books, it is also a place to perform activities supporting learning, scientific researches, creativity and startups experiences.

Individual bookcases and typical units have donated books "

- Bookcase of the Secretary of Dong Thap provincial Party Committee Le Minh Hoan: 300 books
- Bookcase of the late Deputy Minister of Education and Training Le Vu Hung: 250 books
- Bookcase of Co May Limited Company: 369 books
- Bookcase of Assoc. Dr. Nguyen Van Hanh (Vinh University): 184 books
- Bookcases of Excellent Teacher, Assoc. Prof, Dr. Nguyen Van De and Senior Lecturer, M.A. Le Kim Oanh: 300 books
- Bookcase of the late Dr. Le Huong Giang: 220 books
- Bookcase of Dong Thap Provincial propaganda and training commission: 240 books
- Hieu Tri bookcase: collection of books by individuals (teachers, business people, students, civil servants, officials, readers ...) which were donated, amounting to more than 2500 books

With the desire to sow the first seeds into the young minds of the students and the members; Just like the cultivation of trust and motivation and the continuity of selective reading culture, the DThU Book Club and Book Space are contributing to the creation of "reading candles" in the community, laying small bricks for self-study, connecting, sharing and creating journeys.

Activities of DThU Reading Club received the attention and enthusiastic participation of members and students through activities: introducing good books, new books; meeting and sharing feelings about the books that have been read; exchange of books; donating books; and reporting topics related to books such as self-development topics, life skills, soft skills and startup. These activities are organized in two forms: held directly in the book space and organized into a forum via the Facebook page at <https://www.facebook.com/clbdocsach>. Up to December 2019, the DThU Reading Club has acquired 1100 official members and 2019 members register to participate online via the club's Facebook page, with high views figures and interactions

The Reading Club also implemented a "Food and Sharing Corner" with coffee, tea, milk, cakes and instant noodles for readers and students in difficult circumstances and students who overcome difficulties to study and "love giving and receiving corner" contributes a warm sharing, connecting the people with love for the activities of the DThU Book Space.
